NEW TESTAMENT

1. THE GOSPEL OF MATTHEW

2. THE GOSPEL OF MARK

3. THE GOSPEL OF LUKE

4. THE GOSPEL OF JOHN

Figure 1 displays a 10x10 grid of 100 small plots, each showing the evolution of a network structure over time. The x-axis for each plot represents time (0 to 100), and the y-axis represents the number of nodes (0 to 100). The plots are arranged in a grid, with each row and column representing a different configuration of nodes and edges. The plots show a progression from a single node to a fully connected network, with some plots showing a clear progression from a single node to a fully connected network.
